RE: Withdrawl of Division Approval
and Surety Release
Mountain King Mine
Emery County, Utah
ACT/015/024

Dear Mr. Ekker:

Staff members of the Division inspected the Mountain King Mine on November 27, 1979 and determined that no significant new disturbance has been caused at the site. Therefore, it is possible to release the reclamation surety presently held by the EIML Credit Union in an escrow account. In releasing the surety, the mine cannot be worked and all mining activity must cease.

Mining activities cannot resume until the surety is brought back to its present status and the Division issues final approval. The surety amount is subject to readjustment upon your application for any subsequent approved notice of intention.

Sincerely,

RONALD W. DANIELS
COORDINATOR OF MINED LAND DEVELOPMENT
